

WEQUASSETT

RESORT AND GOLF CLUB

*There is nothing so exciting
as the announcement of a wedding followed
by the joyous celebration of the event.*

*We all start out the same way.
We dream of an event so splendid and special
that anything less would pale in comparison.*

For you, that's simply human nature.

For us, it's a boundless commitment.

As the dream becomes reality, and planning becomes the focus, and the details and decisions become difficult and stressful, you'll find you're not alone. We've experienced every possible situation over the years. There is nothing new to us. But if there is, we'll do everything in our power to accommodate each and every request you make.

This is in great part what makes us Cape Cod's most celebrated resort.

As in the past, an experienced personal Catering Planner will be appointed to help in all aspects of planning and organizing for the event.

This booklet has been written in an attempt to put the answers to most questions at your fingertips. It is also designed to give you information to convey to your guests as they begin to make their plans for the special day.

What's more, your personal Catering Planner will assist you, intimately, throughout the process to make your planning and organizing as pleasurable as possible.

Resort History

Over 400 years ago the Native Wampanoag people began coming to the place they called Wequassett during the summer months.

The Wampanoag name Wequassett means “crescent on the water”. Interestingly enough, the sand-spit on the resort, called Clam Point, extends out around the Cove in the shape of a crescent.

The Wampanoag people paid great attention to the first appearance of every new moon. They began their ecclesiastical calendar at the first appearance of the first crescent moon of the vernal equinox. Whether Wequassett was named for the shape of the sand-spit, or for the new crescent moon or for that moon’s reflection on the water remains a mystery.

Among the many buildings that comprise the present resort are two noteworthy historic structures. The lovely “Square Top”, or Eben Ryder House, serves as the centerpiece of the complex, the location of twenty-eight Atlantic and Thoreau’s. At the entrance to the resort, the current registration building, Warren Jensen Nickerson House, dates back to about 1740.

Over 60 years ago, Wequassett opened as a vacation retreat. Today, we are proud to accommodate travelers from around the world, as well as a variety of national and international business meetings and conferences.

The resort offers world-class accommodations, dining and recreational facilities in a relaxed atmosphere with warm personal service.

Wequassett and its signature restaurant, twenty-eight Atlantic, are distinguished as the only double Forbes Five Star establishment on Cape Cod. In addition, Wequassett is a member of Preferred Hotels & Resorts and its Legend collection of globally recognized and award winning hotels.
