# WINTER RECREATION

Strolls, Bike Rides, Dog Walks, Birding

## Seashore Strolls

There are six pristine sandy beaches at the Cape Cod National Seashore. Local favorites include the broad sandy Nauset Light Beach in Orleans, the breathtaking Coast Guard Beach in Eastham, and the historic Marconi Beach in Wellfleet. For a unique experience, visit the Brewster Flats, comprised 12,000 acres of tidal flats extending nine miles from Brewster to North Eastham, the largest flats in North America.

## Biking

**Cape Cod Canal Bikeway:** Ideal for casual cyclists and families, this paved path follows the canal between the Bourne and Sagamore Bridges. It runs for 7-8 miles and includes wonderful views of the shoreline.

**Cape Cod National Seashore Bike Trails:** Three bike trails wind through the National Seashore. The 1.6 mile Nauset Bike Trail in Eastham is a narrow immediate path to Coast Guard Beach and includes a panoramic view of the Nauset Salt Marsh. The Head of the Meadow Bike Trail in Truro is a calm two-mile ride along berry bushes and trees. A 5.45 mile loop, the Province Lands Bike Trail in Provincetown passes through pine forests, sandy dunes and cranberry bogs.

**Falmouth's Shining Sea Bikeway:** Built on a former railroad right-of-way, this paved path is also great for the casual cyclist. The only bikeway to feature a seaside section, it winds along the coastline for 10 miles crisscrossing the Salt Pond Bird Sanctuary.

**Cape Cod Rail Trail:** Running 25 miles from Dennis to Wellfleet through the scenic heart of the Cape, the CCRT is particularly beautiful. Don't forget your camera!

## Nature Walks

Taylor Bray Farm in Yarmouthport dates to the Plymouth Colony. This historic farm is home to a boardwalk that passes through Black Flats Marsh. Explore the farm and take a stroll along the boardwalk, where you can enjoy the dunes of Chapin beach and Cape Cod Bay.

Nickerson State Park, Brewster with its beautiful woodlands, freshwater kettle ponds and many walking trails offers varied scenic walking for nature enthusiasts. If you prefer biking, the park's eight miles of bike paths take you in and out of scenic forests home to fir oak and spruce trees. And now as we are welcoming your furry friends, Nickerson State Park is the perfect place to walk your dog.

**Beech Forest Trail, Provincetown** on Race Point Road is a one-mile walk that is home to a hidden forest. The trail surrounds a freshwater wetland, as it passes ponds and winds through smaller dunes. It is a favorite nature walk for bird watchers.

## Bring Your Furry Friend

Travel is better with your furry companion and that's why we're thrilled to welcome guests and their pets in 2023. Dogs will be treated as VIPs with plush beds, toys, and treats. Our doggie concierge will arrange for dog walking, play dates, and grooming services. More information is available on our website.
