COVID-19 Update

As you know, in late May the Commonwealth's COVID-19 restrictions were lifted, capacities increased to 100% and the face covering order was rescinded. That said, please rest assured that the health and safety of our guests and team members will always be our utmost concern, and Wequassett will continue to follow CDC guidance for cleaning and hygiene protocols.

Below is a sampling of protocol and policies to ensure your well-being. Our Code of Responsibility, COVID-19 may be viewed on wequassett.com in detail.

Hand sanitizing stations are placed throughout the property. Masks and disinfecting wipes are available for guests.

Additional cleaning and sanitizing is performed in all public spaces during the overnight hours, and Electrostatic Sprayers are used daily.

Finally, please take advantage of our texting platform, Zingle. It's an easy way to communicate with our staff to help you with any of your needs, or feel free to contact the front office directly at extension 6910.
