Dear Guests,

It is a pleasure to welcome you to Wequassett Resort and Golf Club. As summer winds down, we hope that you'll enjoy all that the resort and the Cape have to offer: our magnificent pools, private beaches, tennis courts, boating and sailing, and golf at the esteemed Cape Cod National Golf Club. We also recommend a variety of activities for you and your family at the resort and in the surrounding area.

We're very proud to continue to hold the distinction as the only double Forbes Five-Star resort on the Cape and Islands. Our goal is to ensure most memorable stays; please feel free to reach out to our team for any assistance.

## Down Cape Group Charters

Reservations required in advance. Please visit [downcapeboating.com](http://downcapeboating.com) or call 508-241-4070.

### Private Whale Watch

Our Private Whale Watch tours offer a unique and intimate alternative to the bigger ships found on Cape Cod. Join us for an opportunity to get up close and personal with the largest marine mammals living in our coastal waters! The most common sightings include Humpback, Finback and Minke whales. Other sightings include seals, porpoise, gannet birds and possibly even a Great White Shark! Trips are private - for your group, plus one captain.

### Shark Alley Tours

Down Cape Charters is proud to offer exclusive small-group shark viewing tours along the coast of Chatham, Monomoy Island and Nauset Beach. Dubbed "Shark Alley", this stretch of open Atlantic offers the rare opportunity to witness one of the most feared and misunderstood predators on the planet. In coordination with a professional spotter pilot and plane, we'll search Shark Alley for an encounter with the largest predatory fish in the sea! Our tours cover basic white shark anatomy and physiology, state and federal conservation efforts and the subsequent rise in shark sightings over the past decade. Passengers will observe the local seal colony population and learn about the fragile balance between seal conservation and public safety. Whether you opt for a Private Charter or a scheduled Group Tour, our experienced captains are pleased to welcome you aboard!

# OUTDOOR RECREATION

Walks, Bike Rides, Birding & Golf

## Seashore Strolls

There are six pristine sandy beaches at the Cape Cod National Seashore. Local favorites include the broad sandy **Nauset Light Beach in Orleans**, the breathtaking **Coast Guard Beach in Eastham**, and the historic **Marconi Beach in Wellfleet**. For a unique experience, visit the **Brewster Flats**, comprised 12,000 acres of tidal flats extending nine miles from Brewster to North Eastham, the largest flats in North America.

## Biking

As the summer crowds subside, these trails offer tranquil experiences for cyclists of all levels, solo or as a family.

**Cape Cod Canal Bikeway:** Ideal for casual cyclists and families, this paved path follows the canal between the Bourne and Sagamore Bridges. It runs for 7-8 miles and includes wonderful views of the shoreline.

**Cape Cod National Seashore Bike Trails:** Three bike trails wind through the National Seashore. The 1.6 mile Nauset Bike Trail in Eastham is a narrow immediate path to Coast Guard Beach and includes a panoramic view of the Nauset Salt Marsh. The Head of the Meadow Bike Trail in Truro is a calm two-mile ride along berry bushes and trees. A 5.45 mile loop, the Province Lands Bike Trail in Provincetown passes through pine forests, sandy dunes and cranberry bogs.

**Falmouth’s Shining Sea Bikeway:** Built on a former railroad right-of-way, this paved path is also great for the casual cyclist. The only bikeway to feature a seaside section, it winds along the coastline for 10 miles crisscrossing the Salt Pond Bird Sanctuary.

**Cape Cod Rail Trail:** Running 25 miles from Dennis to Wellfleet, the CCRT is particularly beautiful. You won’t want to forget your camera on this stunning stretch of bike path through the scenic heart of the Cape with its many notable stops along the way.

## Nature Walks

For a peaceful, rejuvenating walk, you’ll love any of these Cape paths.

**Taylor Bray Farm in Yarmouthport** dates to the Plymouth Colony. This historic farm is home to a boardwalk that passes through Black Flats Marsh. Explore the farm and take a stroll along the boardwalk, where you can enjoy the spring foliage, the dunes of Chapin beach and Cape Cod Bay.

**Nickerson State Park, Brewster** with its beautiful woodlands, freshwater kettle ponds and many walking trails offers varied scenic walking for nature enthusiasts. If you prefer biking, the park’s eight miles of bike paths take you in and out of scenic forests home to fir oak and spruce trees.

**Beech Forest Trail, Provincetown** on Race Point Road is a one-mile walk that is home to a hidden forest. The trail surrounds a freshwater wetland, as it passes ponds and winds through smaller dunes. It is a favorite nature walk for bird watchers.

## Birding

The tidal flats of **Chatham’s South Beach and Monomoy National Wildlife Refuge** are a must-see for avid birdwatchers. As described by ornithologist, Vern Laux as “far-and-away the best place to see remarkable numbers and variety of birds.”

## Golf

Cape Cod is truly the “Golf Coast” with over 40 courses that run the gamut of all skill levels. The courses are challenging to any amateur to pro. Begin with a round on our course, Cape Cod National Golf Club, rated one of the Best Golf Courses in Massachusetts by Golf Digest.
