Sister Parish Cabanas

Wequassett has embarked on an exciting collaboration with Sister Parish, a renowned interior design company based in New England. The vision was to bring a fresh coastal chic to our eight private poolside cabanas. Spearheaded by Sister Parish's Chief Creative Director, Eliza Harris, this partnership has meticulously crafted unique designs that encapsulate the essence of summer at Wequassett.

These captivating designs embody the serenity and beauty of the coastal surroundings. This marks the debut of Sister Parish's timeless and distinctive patterns outside traditional interiors, adorning cabana structures at the resort. It underscores the brand's versatility and enduring appeal, infusing every corner of Wequassett Resort with coastal sophistication.

And for the first time, the Sister Parish brand extends into a culinary experience with a whimsical menu. Guests can indulge in culinary canapés and cocktails that draw inspiration from the brand's essence, curated by Wequassett's Executive Chef, James Hackney. To learn more about cabana rentals, or to make a reservation, please contact concierge.
